

Community Carbon Reduction Fund

Do you have a great idea that would reduce Langford Budville's carbon footprint and increase our community cohesion? We are putting in a bid to Somerset County Council's Climate Emergency Community Fund and would love to know your thoughts.

Email Josh Wedderkopp at One.Planet.LB@gmail.com with a brief explanation of your idea, indicative costs, and what the benefits and possible risks will be. You may use the from-forma document, <http://langfordbudvillevillage.co.uk/pdf/projectideaproforma-climateemergencycommunityfund.pdf> if you wish. All suggested ideas will be shared in a public Zoom meeting at 8pm on Wednesday, 4th Nov, led by Derek Sowden of our Parish Council.

Login details for Zoom:-

Please, if you've a brilliant, workable idea to improve our lives and to reduce our carbon impact - share it!
