

# COVID19 SAFETY INFORMATION

Welcome to the Langford Budville Triangle play area.

Please enjoy the use of this area & equipment but users are reminded to follow government COVID19 Social distancing guidance at all times & not to use the equipment if you or your family have had any COVID symptoms in the last 14 days.

The equipment in the children's play area is NOT regularly cleaned so please wipe any high-use touch surfaces such as rails or chains before your child uses them. Please bring your own gel to sanitise hands before & after use of the equipment.

At busy times please limit time on the play equipment to ensure everybody gets a turn.

No eating or drinking on the play equipment. Sanitise hands before eating at the tables or in the field.

Please dispose of any litter including used wet wipes, face coverings, PPE or other waste properly in the litter bins provided and remember to wash your hands for 20 seconds when you get home.

We hope you have a happy visit but use of playground equipment & play area is at your own risk.

Stay alert, control the virus, save lives.
