Individual Ideas Pro Forma**

Your name	
Your tel number	
Your email address	
Your project name	
Which of these does your project address? If 'other' please advise	<ul style="list-style-type: none"> ✓ Please select Carbon capture and storage Community electric car share and charging points Community Energy Projects Empower local community to promote a culture of sustainable living Encourage behavioural and lifestyle change Increase community composting Increase local recycling Lower carbon demand and consumption Lower energy use in the community Mitigate against and adapt the environment to impacts of climate change Reduce the reliance on car travel locally Support biodiversity and ecological adaptation and resilience Support local sustainable food markets and co-operatives Support waste reduction Other
Where will the project take place?	
What is your project idea?	[less than 30 words]
Why do you think the project is needed; how will it benefit individuals [what's in it for me?]; and how will it benefit the wider community?	[less than 50 words]
Is this project something that is already in action in another community? If so, where?	
How many other people [if any] have expressed an interest in working on this project with you?	
What are the risks that may stop the project being a success and how can you overcome them?	
How much funding do you need - Min £5,000 max £75,000?	

Is the funding to create new activity or support existing activity?	
---	--

Can you attend the Zoom community call on Wednesday, Nov 4th, at 8pm, where Derek will present all suggested ideas [login details to be provided via Derek (dereksowden@hotmail.com) and village website].
