16 September 2020

Our reference: MLN1 170m 0226y

Dear Neighbour,

Repair and waterproofing of Tonedale Bridge, Station Road, Taunton

Further to previous letter, you may be aware that we are still working to repair Tonedale Bridge, Station Road, Taunton. Since starting, we have found buried services, such as high-pressure gas mains and high voltage electricity present underneath the road surface on the bridge.

Due to the nature and location of the buried services, and for us to complete our work in the safest way possible, we are sorry to inform you that the road will be temporarily closed between the dates of **Wednesday 16 September and Friday 9 October**.

We are aware that closing the road will cause further disruption closing the road, but our aim is to complete the task in the safe and most efficient way possible for local businesses and residents to return to normal.

We are sorry for the very late notice of this letter and we hope this information is helpful. If you have any additional questions or concerns about the work taking place in your area, please call our dedicated 24-hour National Helpline on: 03457 11 41 41 or visit www.networkrail.co.uk/contactus

Yours faithfully,

A handwritten signature in black ink, appearing to read "C. Van Leer".
