

## Runnington to Harpford Mill and back:

Description: A short walk from Runnington church, up Ramsay Lane, down to Harpford Mill and back along the River Tone to Runnington.

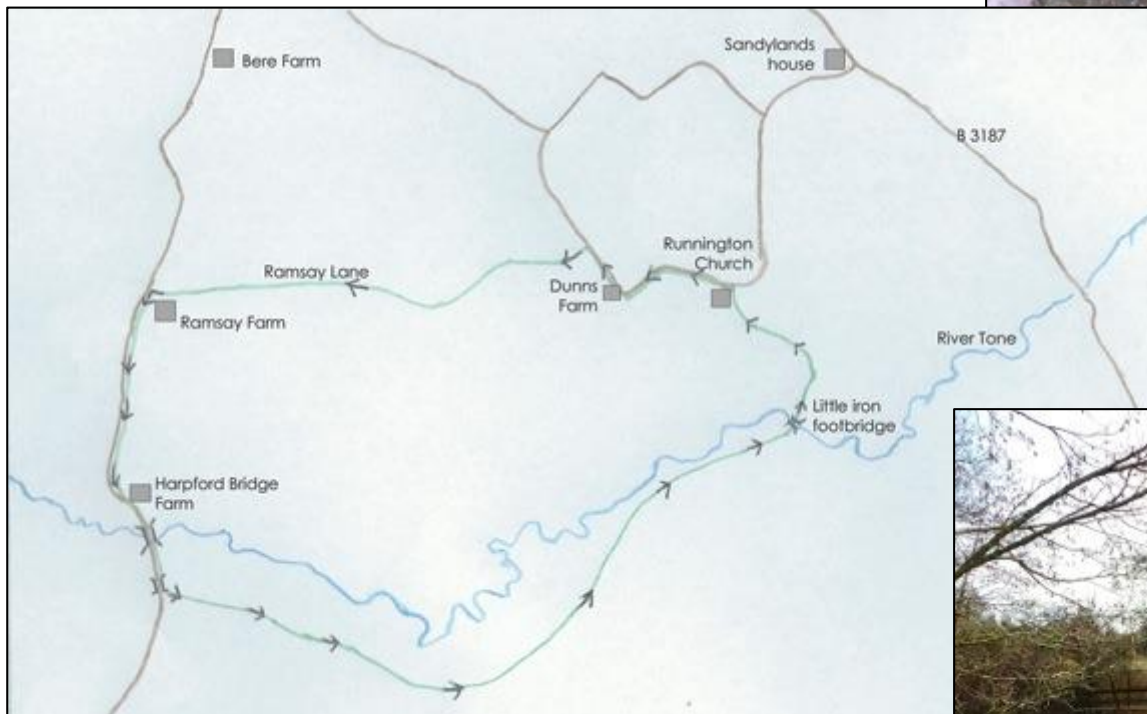

### Walk:

From Runnington Church follow the road to just past Dunn's Farm. Turn left along the grassy lane (Ramsay Lane – bridle path) to Ramsay Farm. From here go left down the road as far as Harpford Bridge. Dogs should be on a lead as the traffic can be quite fast on this road.

Cross the river, and then go through a gate on the left, and follow the footpath along the River Tone. This follows the course of the old canal in places. There are several stiles but the way is marked, and it is passable with dogs. This will bring you out at a little iron bridge over the River Tone, and a footpath leading back up through the fields to Runnington Church.

The walk takes approximately 1 hour
